Dear Susan,

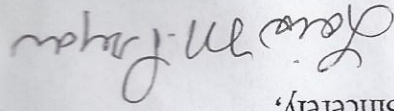

On behalf of the Friends of the Mills River Library, I want to thank you for your willingness to support and participate in our Mills River Tour of Homes held on Sunday, December 11, 2011. Your willingness to support this community effort made this event the success it was.

We have received numerous calls from participants saying how much they enjoyed the tour and how gracious the hosts and hostesses were. Many participants have expressed the hope that the Mills River Branch Library will plan another tour of this type in the future.

Thank you again for your generosity in opening your home to the public. Please know that you have been instrumental in ensuring our fund raiser was a huge success. All proceeds from this event will be utilized to benefit the Mills River Branch Library.

Merry Christmas and Happy New Year.

Sincerely,

Lois M. Pryor
